

GEOCENTRICITY – THE TRUTH ABOUT OUR UNIVERSE

Jerusalem, give or take 15 minutes.

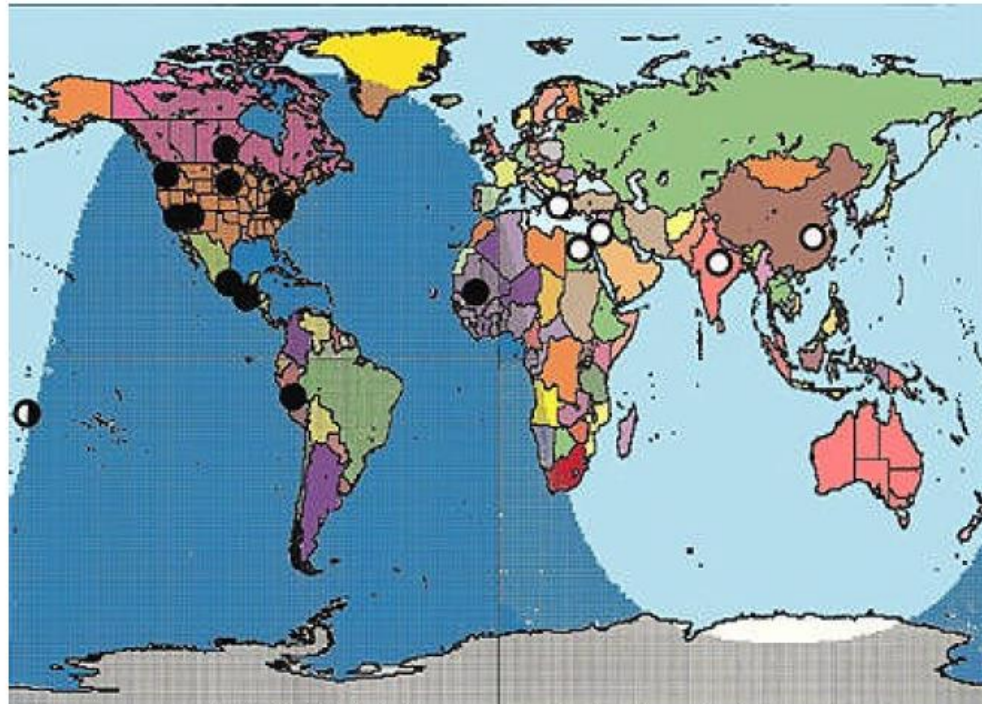

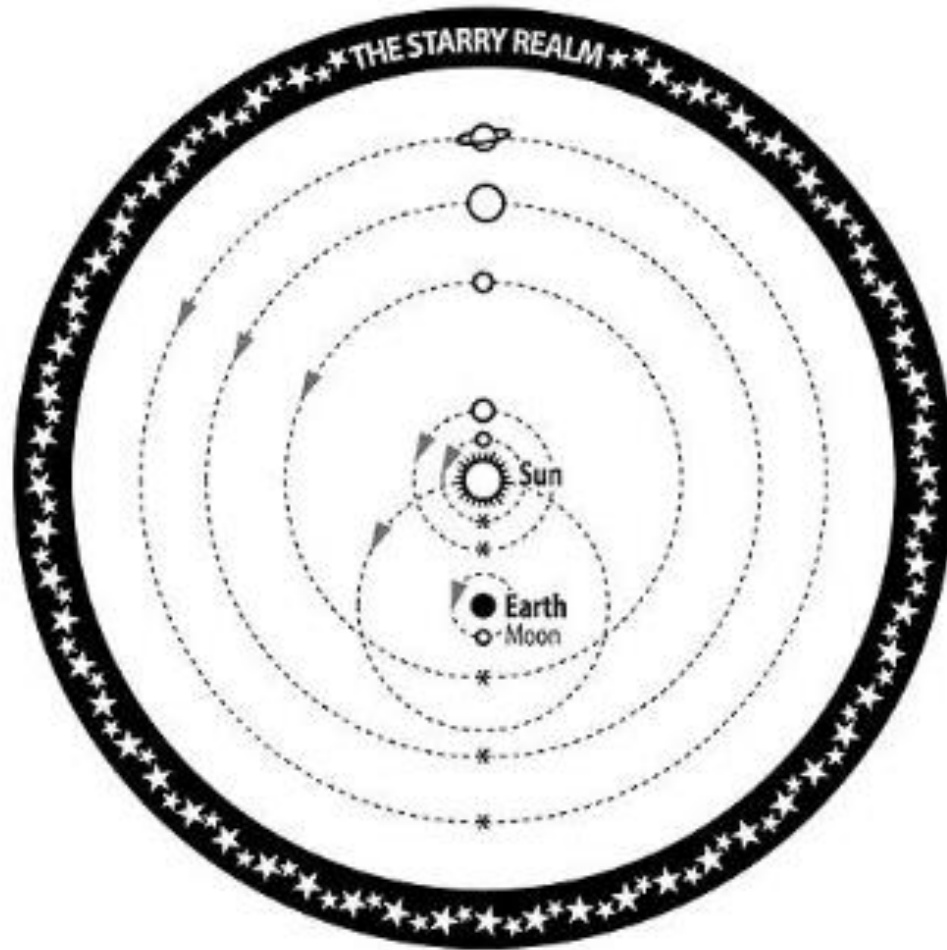

Figure 1. The half-filled circle represents the location of a long sunset story, the solid circles represent accounts of a long night, and the open circles show locations with tales of a long day.

Now who is more “scientific,” those who flatly reject the evidence of the accounts of a long day, night, and sunset, or those who accept it?
